Communi**T**ree Stewards

- Care for public trees to ensure the health and beauty of our environment
- Care for trees in Syracuse and other towns and villages in Onondaga County
- Are trained over one summer and continue to care for public trees in the future

*In the last 9 years Communi**T**ree Stewards have given **thousands** of volunteer hours to prune and care for over **3,700 trees** and plant over **1,800 trees** in our parks and neighborhoods.*

**But we need more help.

Why volunteer?

- Trees in developed environments need extra care to survive and thrive.
- Trees provide many health, community, economic and environmental benefits.
- Volunteering has a meaningful and positive impact on your community

Learn...

through hands-on instruction in tree biology, planting, pruning, follow-up care, species identification and common tree problems.

Volunteer...

by signing up for planting, pruning, mulching and other projects across the county throughout the year.

Be...

a steward of your community's environment! Join other stewards in ensuring a healthy urban forest in Onondaga County.

Sustainable. Educational. Local.

Cornell University Cooperative Extension Onondaga County provides equal program and employment opportunities. Please contact the CCE Onondaga County office if you have special needs.
